

Dear Middlesex Chapter AGO members and friends,

I have information for you about three upcoming events:

1. On Saturday, Feb. 4 (10 am), our dean Shea Velloso will host a workshop on Organ Construction. His church, the United Methodist Church at Milltown, is in the process of building a new pipe organ. Shea will show us the ranks purchased so far and talk about organ construction and installation. The church is located at 47 North Main St., Milltown, NJ 08850. *Please indicate to Shea if you plan to attend* by emailing:

svelloso@umcmilltown.org

2. On Sunday, Feb. 19 (3 pm), the Monmouth AGO chapter is hosting a Choral and Organ Paperless Reading Session at the United Methodist Church in Red Bank. See attached flyer for details.

3. On Sunday, March 26 (4 pm), our chapter will host a Hymn Festival. We will journey through the Passion story in song. Location will be St. Paul's Church, 62 S. Main St., Milltown, NJ 08850.

Volunteers wanted to help plan, play the organ, and sing; please contact Emily (esensenb@hotmail.com) if interested.
