

Dear Friend,

The American Guild of Organists (AGO), together with its Middlesex County Chapter (MCAGO) invites organists and choral musicians to join its ranks during the summer months. In addition to encouraging the performance of the organ and choral music, the AGO also provides a forum for mutual support, inspiration, education, and certification of Guild members. On the program of activities are lectures, social get-togethers, and the main event -- a concert featuring member-performers, the Members' Recital.

For more information about the Middlesex Chapter AGO, or if you wish to know how to join us, please contact Shea Velloso, Chapter Dean, via email at svelloso@umcmilltown.org.

For more information about AGO, log on to www.agohq.org.
